

Beginning Question Response

**“Your Favorite Number”**

*Directions:* Try to answer the question below.

*Question:* What is your favorite number? Why?

*Example Answer:* My favorite number is nine. I like nine because my son is nine years old. I also like nine because I have lived in the United States for nine years.

A series of horizontal lines for writing an answer. A large yellow pencil graphic is positioned diagonally across the lines, pointing from the bottom left towards the top right.
